1. Weare liv-ing un-der stars.  
2. In re - la-tions we must say:

Liv - ing in a u - ni - vers. Liv-ing on a pla-net  
Come here! Come and stay with me! Let us stay to - get - her

given to all of us. We are liv-ing in re - la - tions. We are  
even on clou-dy days! Let us live our lives in His pro-mise shar-ing

liv - ing to - get - her shar-ing all we can see; shar-ing  
joy, shar-ing sor - rows. Shar-ing star - light at night while we

all we can sense. Shar-ing the love of God.  
whis-per His words of hope: I promise to stay with you!

Und - er His stars we live. Shar-ing the light when we live in re -  
I prom-ise to stay with you! SLUTT

lations with brothers and sisters spread all over the world. Shar-ing the love we were

given from God to each one. Living our lives in the love of the Spirit. Walk in His

light night and day. Un - der His stars we live.

Shar - ing the love of God.
